The 2018 elections brought many changes to Washington with Democrats now in control of the House and a solidified Republican majority in the Senate. A new Congress means a new opportunity to spread our message! Help bring common-sense solutions to Washington, D.C. by joining us for the 11th annual NTMA/PMA One Voice Legislative Conference on April 9-10, 2019.

One Voice will schedule meetings for all attendees, who will have the chance to meet with lawmakers and top aides to discuss how tariffs and a lack of qualified workers affect their business. The federal government plays an outsized role in manufacturing and the Legislative Conference is how we can educate our elected officials about the issues most important to our industry.

Join together to speak with One Voice, April 9-10 in Washington, D.C.
